

REIMAGINE EDUCATION AWARDS & CONFERENCE 2026

6–8 December | London, UK

Shortlisted project certificate

We gratefully acknowledge

ANU Student Managed Fund Innovation in Business Education Australian National University

This project has achieved world-class recognition in educational innovation, being selected as one of the top applications from a pool of 2,226 submissions in the QS Reimagine Education Awards 2026. This shortlisted application demonstrated exceptional innovation, impact, and scalability, successfully progressing through four rigorous evaluation rounds conducted by a panel of 1634 international higher education and edtech experts.

A handwritten signature in black ink, reading 'Nunzio Quacquarelli'.
